Hi Jeffrey,

Thanks for the email. I am also working on pulling agencies together to have a coordination meeting about updating the Delta WQCP and the upcoming workshops. Can give me an idea of the kinds of things that will be on the agenda for the Aug 14 meeting?

If we're talking about the same things, we should maybe just have one meeting.

Thanks!

Erin

Erin,

John Shelton from Fish and Game runs the fisheries interagency meetings and our next one will be on August 14th. Diane Riddle from the Water Board said she'll be available to attend so this would be a good opportunity for the coordinators to get together to discuss the Bay-Delta Update.
